

Tree Pod

Ages: 2 to 12

Price: Inquire

A special part of the Magical Bridge Playground in Redwood City, the Tree Pod is a fully accessible platform large enough to allow a wheelchair to maneuver and fully enclosed with rope netting for safety. The platform is attached to the trees using Tree Attachment Bolts (TABs) and gives visitors the feeling of being up in the tree tops while maintaining complete safety.

This structure meets ASTM F1487 Standards for Public Use Playground Equipment and the 2010 Americans with Disabilities Act.

Specifications on page 2

Tree Pod

Angled Ramp: from Landing Platform to Landing Platform around the Tree:

6' wide x 8.5' long elevated Access Ramp (53 SQ FT) with 5' clear pathway:

- 17' of 38" high barrier railing
- Attachment to Landing Platforms

Tree Pod:

8.5'x8.5' square Tree Pod, attached to the tree and supported with the girder system (72.5 SQ FT platform) with 5' diameter wheelchair turnaround:

- With two Tree Attachment Bolts supporting girder system
- 24' of 38" high barrier railing (3" diamond rope netting)
- Fully Enclosed netting:
