

Retreat Hut

Ages: All

Price: \$32,200

Mindfully designed, these cozy, safe spaces allow anyone to retreat from the frenetic, sensory whirlwinds of the playground, and empowers them to re-emerge when and if they choose. Retreat Huts provide havens for those who need breaks.

The Retreat Huts are small and cozy, yet large enough for someone in a wheelchair to roll in and turn around. The Retreat Hut is designed to allow for plenty of visibility – for both looking out and looking in. Slatted wood and cut-outs in the panels allow light to create patterns on the inside and plenty of visibility.

This structure meets ASTM F1487 Standards for Public Use Playground Equipment and the 2010 Americans with Disabilities Act.

Specifications on page 2

Retreat Hut

Retreat Hut:

Wheelchair accessible 8' diameter x 8' high dome-shaped retreat hut with large finial top, stain in a custom-designed variegated color pattern with:

- (8) arched interior redwood "ribs" supporting (7) walls, with slatted siding with "lookout" gaps. 8th "side" is arched entrance opening with applied trim.
- (1) interior bench.
- (21) tactile wood appliques attached to interior walls.

All play structures are made from enhanced, sustainable woods and redwood lumber, construction heart grade or better, grinded smooth and then stained completely inside and out with non-toxic, tung oil stains and finished with clear tung oil as a top coat (unless otherwise specified). Prices do not include Delivery & Installation charges. For options and a quote on Delivery & Installation, please call or email, specifying your zip code and our product name. Pricing and availability subject to change without notice.
